

Maryland Interagency Review Team (IRT) Meeting Schedule and Deadlines

The Maryland IRT follows the Mitigation Banking process to review documentation for the establishment, operation, protection, maintenance, and management of mitigation banks as outlined in 33 CFR Part 332 Compensatory Mitigation for Losses of Aquatic Resources.

The IRT welcomes the opportunity to provide input on your proposed bank prior to you moving forward with a Draft Prospectus. The IRT will accommodate project presentations on a first come, first serve basis. IRT meetings are generally held on Tuesdays and begin at 9am. The meeting location is at the US Fish and Wildlife Service Chesapeake Bay Field Office, 177 Admiral Cochrane Drive, Annapolis, MD 21401. Meetings below are tentatively scheduled and may be subject to change. Please note that meetings are closed to the public.

If interested in being added to the IRT agenda, the sponsor must send a completed “IRT Meeting Request Form,” along with all materials to be presented or discussed to Kelly Neff at kelly.neff@maryland.gov. This form may be found on the MDE Wetlands and Waterways Program website, on the Baltimore webpage in RIBITS, or on the Baltimore District Regulatory website at: <http://www.nab.usace.army.mil/Missions/Regulatory/Mitigation/>. For additional information, please contact Kelly Neff at kelly.neff@maryland.gov or 410-537-4018.
